

Moosic Borough

Trap-Neuter-Release Program

Reimbursement Form

Any Moosic resident wanting to participate in the Moosic Borough Trap-Neuter-Release (TNR) program for stray and feral cats must complete and submit this registration form prior to conducting humane trapping, neutering and releasing to qualify for reimbursement from the borough.

Summary of TNR Program:

- For any resident registered for the TNR program trapping for the sole purpose of sterilizing, vaccinating for rabies, and ear tipping feral and/or stray cats, in accordance with any applicable federal or state law, and under the supervision of a licensed veterinarian, where applicable is permitted.
- Registered participants must provide the appropriate shelter and post-surgery recovery time before releasing the cat.
- Registered participants must provide the appropriate shelter for each cat.
- Registered participants will be reimbursed \$50.00 for the costs of participation in the TNR, upon presentation of a payment receipt and required information. The reimbursement is for neutering/spraying, ear tipping, rabies, and distemper shots.
