

Where do I get a copy of an accident report?

You can obtain an Accident Report from the Moosic Borough Police Department by completing an online request at moosicboroughpd.us and select FORMS or at the Police Department located at 3729 Birney Avenue in the Moosic Borough Emergency Services Building. We recommend you call prior to ensure someone is available at 570-457-7269.

Accident reports and other police related reports are NOT available at the Municipal Building.
