

Dear Community Supporter,

Thanks to the incredible generosity of our residents, businesses, friends and **Presenting Sponsor Fidelity Bank**, Moosic Borough is proud to announce the second annual Move with Moosic 5K Run/Walk, is taking place on **June 7, 2026**. Last year, our community came together and raised an extraordinary **\$45,000**—and those dollars have already made a visible, lasting impact across our parks and green spaces.

Because of your support, more than **\$30,000** will be invested this April to update **Edmond Piaski Park**, breathing new life into a small but treasured neighborhood space in our community. We also resurfaced the basketball court at **Smerdon Park**, with hoop rehabilitation planned for this spring. At the **Moosic Youth Center**, we replaced the aging side door to improve safety and accessibility. Funds raised through the 5K also allowed us to purchase mulch for the **Moosic Red Wings** playground and upgrade the security cameras at **Mercatili Segilia Park**, strengthening safety for all who visit. In addition, through Bank of America employee volunteer grants, we supported the **Moosic Little League** in rehabilitating their picnic tables.

These improvements are only the beginning. We are meeting with our grant-writing partners and the **Department of Conservation and Natural Resources (DCNR)** to pursue a comprehensive park planning grant. Funds raised in 2026 will directly support this effort and help meet any required matching contributions—positioning Moosic to secure significant outside funding for long-term park revitalization.

By joining us this year as a runner, walker, sponsor, or volunteer, you are investing in the future of our community's green spaces. Every step taken and every dollar contributed moves us closer to a borough where every park is safe, welcoming, and vibrant.
